U.S.-Japanese Treaty Haunt Japanese With Fear of Hostilities

TOKYO.—Japan lost the last war and is haunted by the fear of losing another one states Arnold Dibble of UPI.

If the Communists have been able to build up any broad support for its massive campaign to topple the pro-Western government of Japan, it must be ascribed to this basic fear.

Not Popular

Actually there is no reason to believe that the current wave of left-wing violence has any great popular backing despite the almost daily riots.

With an ill-equipped military force of less than 200,000 men, Japan's electorate appears to feel that it could be gobbled up in a minute by the Communist forces on the Asian mainland—the Chinese to the west and the Russians to the north.

They dream of neutralism but they know it is only a dream.

On the battlefront of this violent clash of ideologies, Japanese police also are a victim of the past and fears of the future.

Recall Past

To Westerners, it is amazing to see the riot squad take a pasting day after day from university students.

But it must be kept in mind that the Japanese remember the days when their police were tough.

During the rise of the militarists the Kempetai — dread "thought police"—knocked but once and it was likely the victim was not to be seen again.

Its headquarters was paved with fingernails torn from its victims.

So it is that the postwar police of Japan have been clipped of its powers.

Premier Kishi tried to ram through a police-powers revision bill in the fall of 1957. But the hue and cry—plus the riots—against the bill was so genuinely broad he had to withdraw it.

Consequently, the police can do little more than stand by and get pushed around.

Factor For Rioting

The main points in the Japanese-Washington security treaty which brought about the Japanese crisis are:

—Each party recognizes that an armed attack against either one in Japanese territory is a danger to both, and promises to act accordingly in line with its constitutional process.

—Japan grants bases for U.S. land-air-sea forces, without time limit, for the purpose of contributing to Japanese security and maintaining peace in the Far East.

—The parties will separately and together develop their defence capabilities, and will consult whenever Japanese or Far Eastern security is threatened.

—The parties undertake to settle peacefully any international disputes in which they are involved.

—The parties will strengthen their free institutions, promote stability and collaborate economically.

—The treaty will supersede the 1951 U.S.-Japanese treaty, and will remain in force for 10 years and indefinitely thereafter until one year after either party gives notice of intent to terminate the treaty.

Board Finalizes Don Mills Purchase For JC Centre

The Board of Directors announced this week that their offer of $100,0000 for the Don Mills property has been accepted. The property consists of 3 acres with frontage on Don Mills Road directly opposite the I.B.M. plant.

The neighbors to the south will be the Imperial Oil Company's Regional Office Building (6 storeys), and to the north Rustcraft Company (greeting cards) offices and plant on 18 acres. As the planned and existing buildings in the area will have spacious grounds, this too, is felt will add to the park-like nature of the Japanese Canadian Centre itself. As revealed previously, the location is surrounded by new developments in excess of one-quarter billion dollars. This area will be the largest of all the developments thus far completed or planned in Metropolitan Toronto. It is also the closest to downtown Toronto.

As parking presented one of the major problems, the Board of Directors is pleased that the size of the property will accommodate a great number of vehicles. By contrast, an area of one-third in size in a downtown location would not have provided any parking facilities and yet would have cost from one-half to twice (or more) than the purchase price of this property.

The property acquired for the Centre was one of the most sought after within the area. The Board urges all members to look over the property and surrounding areas giving consideration to the proposed developments and arteries of high-speed throughways.

Following the regular Board meeting on Monday, June 27th, further details of purchase will be announced.

Serviceman and Japanese Maid Take Own Lives

TOKYO.—An American GI and his Japanese girl friend died here recently in what Japanese police said was a double suicide, it was revealed.

The GI was identified as S/Sgt. Stanley V. Blum Jr., 24, (Route One) Danville, Pennsylvania. This is his parents address.

Blum and 25-year-old Kikue Kawai were found dead in an automobile parked on a hill just outside Johnson Air Base near here.

An Air Force spokesman said results of an autopsy have not been announced. But he said preliminary reports showed there was alcohol and carbon monoxide in the airman's blood. Japanese police flatly ruled the two died in a "suicide pact."

Blum was married and had one child. His wife and five-months-old child left Japan for the United States last week.

RCA Opens Research Laboratory in Japan

NEW YORK.—The Radio Corporation of America plans to open a new research laboratory in Japan in the near future to conduct fundamental studies in the physics and chemistry of solids. The announcement was made Wednesday by M. E. Karns, director of license operations, RCA international division.

JAY Appraises Sansei Delinquency Figures

LOS ANGELES.—Sansei delinquency cases in the outlying areas are few and far apart but figures in the city run higher.

This was the report, third in a series by the Japanese American Youth, Inc., made last Sunday on a radio program sponsored by the Japanese Cultural Broadcasting Society which gives time to the organization probing youth problems.

In March, 13 Japanese American juveniles were arrested, the study compiled by Roy Yamadera, JAY chairman, indicated. Of this number, seven, involving two boys and five girls, were detained for curfew violation.

The city ordinance makes it unlawful for those under 18 years of age to "hang around or loiter on the streets or any public places after 10 p.m. without adult supervision."

Other Sansei crimes committed in March in Los Angeles were one male burglary; two males, joyriding; a female runaway case; a male escape and one youth held on gang rowdyism.

There were 1116 juvenile arrests in the county in the same month but none involved persons of Japanese ancestry, according to Captain C. D. Fontaine of the county Sheriff's Juvenile Division.

In Pasadena which heretofore had no record of Nisei or Sansei juvenile arrest, a 15-year old boy was warned when he was found violating a municipal code—shooting a BB gun—and released to his parents.

That was in March but in April, two 16-year old Japanese American girls were picked up for shoplifting in one of the local clothing stores.

Youth problems in Gardena apparently were well controlled from what acting chief of police Roy E. Tracey has reported. In April there was no discovered criminal activity but one male, 15, was apprehended attempting a theft from a car in March. He was placed on an eight-week probation.

Metropolitan crimes among persons of Japanese ancestry in April included robbery, burglary, receiving stolen property, petty theft, curfew violations, incorrigible female and lack of supervision cases. Eleven were caught and investigated.

The broadcast was made by James Nakagawa, JAY announcer, who is also with the Voice of America program.

Nisei Finds Japan Crowded, Disorderly

GRAND FORKS, B.C.—A glimpse of modern day Japan was given to Grand Forks residents last week by Rev. Eddie Yoshida one time GFHS student and for the past three years a Missionary in Japan.

He was speaking and showing slides at the Gospel Hall.

"Even though I have a Japanese background, I grew up a Canadian, and I had many new things to learn when I arrived in Japan," the Grand Forks Gazette quoted him as saying.

It's Crowded

First thing to overwhelm him were the crowds. It is a crowded nation—a land of 92 million people, with a million more each year. On record are a million abortions a year. Estimates place the number of unrecorded abortions per year at another million; abortions, heavy advertising of birth control methods, and emigration to South America are three most popular methods of controlling the population increase now being used, he commented.

Few Christians

Out of this mass of people only 350,000, or less than one-half of one percent are Christians, he said. There is no persecution however, as the government does not play religious favorites, he told his listeners.

American culture is creeping into Japan, and the nation has accepted Western democracy, but has failed to accept the basic Christian ideals which stand behind the democracy of the west, Mr. Yoshida pointed out.

Shintoism is rising in popular-

Nisei Softball Team Showing Signs of Last Year's Championship Form in City's Intermediate A League

After an inauspicious first league game debut, the Toronto Nisei Softball Club entered in Toronto's strong Intermediate "A" Softball League, is starting to hit the stride of last year's Championship form. The Nisei's who won the Intermediate A-A City Championship last year, suffered their first and worst defeat thus far as they were trounced 16-2 in their initial debut.

In this game pitcher-manager Jeep Seki received little or no support from his mates as the boys experienced their first game jitterness with unlikely miscues and lack of hitting punch, which, as a result, ended in a nightmare.

In their second game of the season however, The Niseis showed a complete reversal of form from the previous game as they eked out a 3-2 victory in their redemption. The Niseis played flawlessly in this game and after falling behind 0-2, they tied the score 2-2 in their half of the fifth inning. In the seventh, the winning run was pushed across when manager Jeep Seki summoned a pinch-hitter from the bench who responded with a single after Sumi Tomihiro, Roy Tanaka and Ray Tani loaded the bases with a single, walk and a scratch single respectively.

Pitcher Roy Tanaka making his initial debut for the Nisei Softball team spun a nifty five-hitter.

In the team's third game, the Niseis had a relatively easy game as they romped home with a 10-3 win. The Niseis got the jump on the opposition as they scored five runs in the second inning and added several more runs in the following innings to give their import hakujin chucker Jake Rotterman a comfortable lead.

The hitting stars for the Niseis in this game were John and Stan Nishimura, each with a home run and a single, Sab Seki with two hits and Mike Sakura, Bob Mitobe, Tak Tanaka and Sidney Ikeda garnering a hit each.

In the last game, the Niseis came thru with an 8-5 win over Shully's who featured a pitcher who threw a no-hitter in his previous outing. Jake Rotterman pitched brilliantly on the mound for the Niseis till he tired in the sixth, as Shully's plated three runs to close the gap and end the game at 8-5. Nisei infield comprised of Ray Tani, 1st base, Stan Nishimura, 2nd base, Sab Seki, short stop, Mike Sakura, 3rd base and catcher John Nishimura performed flawlessly as they, time and time again came up with key plays in support of the pitcher. Nisei hitters who came through were John Nishimura with two hits, Lefty Zwolinski with two hits, Mitch Nishimura with a home run and a single, and Mike Sakura, Sab Seki, Jeep Seki, Jack Ashizawa and Tak Tanaka with a hit each.

The Nisei Softball Club is comprised entirely of Nisei with the exception of two hakujin ball players who were with the team last year.

At the moment, the club is playing their games on a pay-as-you-play basis so therefore, the boys are earnestly seeking a sponsor in the Toronto area, and would appreciate very much if anyone wishing to sponsor this team would kindly contact Jeep Seki at EM. 4-5672.

Special Note: Many thanks to the members of Toronto's Club 7-11 for holding a dance in support of the club. Your efforts are appreciated by the members of the ball club.

Future Nisei games, which will be played at Bellwoods Park, are on Monday, June 27th at 6:30 p.m., and Thursday, June 30th at 8:15 p.m. Nisei fans interested in watching good softball games, do turn out and give the boys your moral and vocal support.

Main Auto Takes 4th Game Downing Regents; Yamadas 8-5 over Bussels in Nisei Sunday Games

By TOSH SAKAMOTO

The Main Auto Body baseball squad extended their winning streak to four games as they outlasted Regent Press by a score of 13-8. Yamadas kept in condition for the league championship by rallying to an 8-5 victory over the hapless Busseis.

At Earlscourt Park, Main Auto scored in every inning except the fifth as they hammered the Regent hurler for twelve hits. Four run thrusts in the fourth and sixth innings decided the outcome of the slugfest. Regent Press, without the services of three regulars, picked away to try to cut down their deficit, but failed short of their efforts.

Hurler Ron Miki helped win his own ball game as he rapped out a double and a single. Fred Nishimura, Jeep Seki and Gen Hamade each garnered a pair of singles while Jack Ashikawa blasted a solo circuit clout.

Regent Press was led by the veteran, Ken Ikeda, who poled out a homer and two singles. Ray Tani and D. Miwa slipped in with a brace of safeties apiece.

Regent Press—Kei Tanaka, Ken Ikeda (5) Ray Tani.

Main Auto—Ron Miki (5) Jeep Seki and Jack Ashikawa (6) Sam Matsuo.

* * *

A last inning rally which produced seven runs gave the Yamada team their margin of victory over the winless young Busseis. The winners batted around once during their uprising as three hits combined with four walks and an error, accounted for the runs.

Until the fateful fifth, the Bussei squad had led 5-6. They scored three runs in the second inning on two hits, a walk and two miscues by Yamada fielders. Busseis added their final two counters in the third on just one hit, another error and two hit batsmen.

Al Masukawa and veteran Ken Kutsukake divided four of the five Yamada safeties. Rich Yoshida garnered the other hit.

The Busseis were led by Pat Kitamura who collected a double and a single. Bob Nishikawa helped with two hits, while Mas Mori and Terry Nakamura added a safety apiece.

Yamadas—Mike Sakura, (4) Jackie Tanaka and Ken Kutsukake.

Busseis—Mas Mori (5) Dick Tanaka and Pat Kitamura.

Next Games: Christie Pits—Main Auto vs. Yamadas; Earlscourt Park—Busseis vs. Regent Press Giants.

野ざらし姫

山手樹一郎

そういう男の不純な目で、まじまじと体中を見まわされ、眼から嬲られている口惜しさ無念さに、鶴丸さまはついに腹に据え切れなくなってきたのだろう。くちびるをかみしめながら、ついと立ち上った。

「どこへお出でなされます」

「東宮を見てやるのです」

「いけません。お坐りなさい」

「無礼な。そなたの指図はうけません」

見向きもせず、足早に障子際へ進んだとたん、

「我がままな——」

郷左衛門は豹のような素早さで、さつと背後から躍りかかるなり、肩をだきすくめて引き戻した。

「けがらわしい。放せ、——放して」

「静かになさらんと、縛ります」——

「無礼者、主に対して、なにをする」

必死に身もがきをする鶴丸さまを押えつけながら、郷左衛門の手は思わずむっちりと厚味のある胸乳に触れて、はっとさせられた。女という肉体をはじめてまざまざと掌に意識させられたからである。とたんに抱きすくめている体中が、若さをみなぎらせているのを肉体に感じ、熟れたようなあまい肌の匂いがむらがってくる。郷左衛門はむらむらと中年男の本能を刺激されて、一度は避けた乳房の手を、こんどはわれからつかみにいって、嚇っと激しい欲望に駆り立てられた。

「はなして、——けがらわしい」

「静かになさい」

「いうな——な、なにをする」

敏感な鶴丸さまはたちまち郷左衛門の心を読みとって、ぞっと、身をすくませたが、育ちが育ちだからさすがに恥じて端ない声は立て得ない。見る見る恐しいけだものの力にじりじりとねじ伏せられて行きながら

——傳八郎、助けて。

と、次第に絶望の淵へ追いつめられて行くのだった。

吠える市松

——畜生め、見ていろ。

暗い庭の植込みにじやがんで、さつきから目の前の離れをにらんでいたお菊は障子にありありと鶴丸さまの影法師がうつったと見る間に、総髪の影が躍りかかってもつれ、たちまち引き戻されて行く。

けがらわしい、なにをするという、鶴丸さまの低くはあるが必死の声が耳についたとたん、おなじ女の身だから、その男のけがらわしさを痛いほどわが肌に感じて、もう我慢ができなかった。

△しかも、マウンテーはなんらの斷わりもなく、チャイナ・タウンの商店や飲食店にドカドカと押し入り、ソロバンやキャッシュ・レジスターまで持ち去ったというのはひどい。ソロバンまで持つていくのは合點がいかない。

△いま、在加中國系人の各地代表三十名はオタワに乘り込み、不正入國事件で變な惡宣傳をされて迷惑だ、と抗議申入れをしている。そして、カナダの人種差別的移民法のために、金儲けの密入國の餌食にされているのが『あわれなわれらの同胞だ』と、逆に政府に食つてかかつている。

△オタワ議會では移民法改正について、ああしろ、こうしろと各議員が盛んに意見を述べているが、なかには同感のものもある。たとえば、二十一才以下の獨身の子供は呼寄せられるが、それ以上は駄目だというのはおかしい。この規則のために二十一才以上の息子や娘が家族と合流できないでいるし、兩親呼寄せも年齢に制約があるのは人道的でないというのである。

△日系側もこの際、うんと政府にプレッシャーをかけてもよいのではないか、と考えられる。

悲しい事態だ！
—連日デモの「東京便り」—

△岸内閣は暴力、汚職、貧乏の三大惡業がスローガンであつた。その暴力が益々強大になつているのはどうしたことか。全學連は昨秋に引きつづき、性こりもなく、又國會に亂入した。

△右翼團体(数は少いが)もまたこれに呼應して、釘を打ちつけたカシの棒で文化人や大學教授の行列の中になぐり込みをかけて数十名の負傷者を出し、警官隊と學生達との亂闘の中で女子大學生一名は踏み殺され、双方に数百名の負傷者を出した。

△クリスチャン政治家で知られている河上丈太郎氏は國會内で右翼の青年に背後から斬りつけられた。良識ある平和愛好の民主々義社會の世相とはおよそかけはなれた現象の連續である。

△お客様アイゼンハワーを迎えるのに、うちからこうした貧状では、顔を厚うして、今は適宜の時機でないことを率直に表明して延期を乞うより他に途はない。日本と日本人にとつて實に最大の恥である。

△恐らくこの度の不祥事によつて日本の信用は世界の各國から疑われていると思う。特に日本の復興が注目され、米國などでは日本ブームとさわ言われている折柄だけに、その反作用が強くなりはしないかと心配だ。

△事態がこうなつてから考えてみると、もつと早くに打つべき手があつたように思われる。この點、岸内閣は當然責任をとるべきだ。反岸運動が反米的にまで波及させたとみられる理由は岸内閣の高姿勢にある。

△速やかに國會を解散して出直すより他に途はない。そして買収とか權力を背景とし、政治力だけを内蔵している政治家をしつかりと評價する必要がある。公明選擧などと旗を立てて騒ぎ廻るよりも、もつと實質的なものが欲しい。

△政治面がこう暴力沙汰を恥知らずに展開している反面、街の中にも暴力は極端だ。自動車のハンランによる轢き逃げ、婦人暴行、理由なきケンカ騒ぎ、日本人はなぜこの性格を清算し得ないのか。

△目的さえ正しければ手段行動を選ばぬ行爲が最近多い。デモ隊は毎日毎晩街の中を練つているが、それが赤いハチマキ、タスキがけで「ワッショ、ワッショ」を連呼しつつジグザグに行進——こうした事をしなければ氣勢が昂らぬというのは何かが狂つている。

△多數黨だからといつて議會主義のルールをふみ破つて强行採決をし、國會の機能をマヒさせて適切な處置をとらずにいた政府の責任は重大だ。昔ならとつくに總理や大臣は辭表を出している筈だ(もつとも今は總理は天皇よりもエライことになつている)。

△一刻も早く憲法の精神に従つて民主々義の責任政治を回復してもらいたい。のどもと過ぎるとナンとやらで、十數年前の、敗戰から起ちあがろうとしたあの時の、眞剣な姿は借りものではなかつた事を實證しなければならぬ。(露木海蔵)

日本人町に影響
—米人らの對日感情惡化—

【ロスアンゼルス發】反岸を叫び一ヵ月餘にわたつた全學連および總評系勞組のデモ騒ぎの飛ばつちりはアイゼンハワー大統領へと飛びそのはねつ返りが太平洋を越えて在米同胞にもかぶさつてきているようだ。一時間餘にわたつてデモ隊に取りかこまれたハガチー事件以來、米人達の對日感情も惡化し、對日貿易の中止運動などが各所で起つているが、以下は羅府で拾つたデモ隊餘波風景である。

◎夏の訪れとともに夜分日本町を訪れギフト店などを冷やかしていた米人旅行者らの群も、ハガチー事件以來影をひそめ、この頃では米人らが店へ入つてくる數も減つてきた。そして入つてきても「日本のデモ隊をどう思うか」などと皮肉を言う米人が増えている。

◎アズサ方面の航空機製作工場内にある店へ日本雑貨を賣りに行つたセールスマンは、アイク訪日でどんな歓迎ぶりを受けるか見届けるまで買うのを遠慮しようと初めて斷られた。

◎佛教會には米人らからの電話が多くかかり「お前の國の宗教はデモを教えているのではあるまいか」と嫌がらせを言つてくる者もある。

◎又、日系人の家で開かれている米人の文化研究會には米人が誰も顔を見せなかつた。

◎一方日系人社會もせつかく現職大統領が日本を訪れるというので張り切つていたのが、突然の招待延期とあつて失望の色は大きく、岸首相を激しく非難するものまたは社會黨を攻撃する者などでケンケンゴウゴウの騒ぎで、一部有力者はこの憤懣をぶちまけるためにデモをした總評に抗議電報を打とうという氣運さえ起つている。

言葉の豆辭典
ワビシイ

口「フトコロがワビシイ」などと、ふだんよく使われることばです。この「ワビ」ということばは、何かあやまちを謝罪したりするようなときに使う「ワビル」、また、茶の湯で重んじられる「ワビ」と同じ源から出たことばといわれています

口もともと「ワビ」というのは、期待を裏切られたり悲しいことにあつたりしてがつかりして氣力をなくすることをいつたことばで、「ワビをいう」といえば、人にめいわくをかけて、非常に力を落しております、という氣持を相手に表明したことばです。

口ところで、人間はお金が無くなると、どうしても氣力がなくなり、氣も滅入つてしまうものです。それで手もとにいくらもお金がないというようなとき「財布の中がワビシイ」などというようになつたのだといわれています。

口鎌倉時代の古今著聞集にも、暮しに困る、貧しいということを「ワビシ」といつています。この「ワビシ」が室町時代の、ひそやかで質素な趣味を美の理想とする「ワビ」に變化したものといわれ、茶の湯の「ワビ」もこれからいわれたものです。

安保條約發効し 岸首相は引退表明
=批准書交換も無事に終る=

【東京發】自民黨内の一部反對にもかかわらず日米新安保條約は二十三日、批准文書交換によって發効した。すなわち、嚴重に警戒した外務省建物内で、藤山外相とマッカーサー米大使との間に條約批准書が交換された瞬間、安保條約は發効し今後十年間、米軍は日本に基地を持つ權利を與えられた。この交換儀式がこっそり行なわれたのち、椎名官房長官は記者會見で『岸首相は辭職を決意した』と岸首相の聲明を朗讀した。果していつ引退するかについては言明をさけているが、首相は川島氏に事態收拾を指示して引退、現内閣はやがて總辭職することになろう。條約書には閣議で全閣僚がサインするはずだったが、社黨側の妨害をおそれ密使によって各閣僚宅でサインをとり、これをまとめて外務省で、これまたアイクの署名済みの批准書をマッカーサー大使と藤山外相が交換したものである。かくして死者まで出して反對されてきた日米新安保條約は發効したわけである。

冷静とりもどす

【東京發】岸首相が引退を表明したことで、政局の焦點は自民黨次期總裁爭いに移りつつある。一方、岸引退によって日本の政治的ブラブルは解決までにはかなり遠いが、しかし國民はしだいに冷静をとり戻しつつあり、とくにアイクの訪日中止の日本に及ぼす影響がしだいにハッキリしてきて、今更『こんなはずでなかった』という自覺がみられはじめている。

カナダ製器具

【オタワ發】宇宙の音響を計算するカナダ製人工衛星は二十二日米國で打ち上げられたと發表した。これは米國が同日打上げた二個の人工衛星のうちの一つに、カナダが作った宇宙音響測定器が入っているもので、米國當局では二つとも地球の周りを順調にまわっているとのことである。

岸退陣を六割が望む 米國は好きな國だ 世論調査

【東京時事通信】今後毎月行なう『時事世論調査』の第一回として六月十三、十四日の兩日にわたって全國調査を行なった結果、次のような答えが出た。

△どの政黨を支持するか。(カッコ内はパーセンテージ) 自民黨三一・五、社會黨二一・二、民社黨五・一、その他の政黨〇・一

△岸内閣を支持するか、支持する一六・八、支持しない五二・三、わからない三〇・九

△岸内閣はつづいた方がよいか、やめた方がよいか。つづけていい一四・四、もうやめた方がいい六〇・七、わからない二四・九

△日本の立場は。自由陣營四四・五、共産陣營一・二、中立三六・一、わからない一八・二

△好きな國三つをあげて下さい。アメリカ四七・四、イギリス三九・七、スイス三一・九、フランス二五・六、西獨一六・六、インド一五・八、中共四・四、ソ連三・三、カン國一・四、ない二七・六

△きらいな國三つをあげて下さい。ソ連五〇・四、カン國四六・六、中共三九・三、アメリカ五・九、イギリス三・三(以下略)

邦品の不買運動
大きく發展すまいと藤山外相

【東京時事通信】藤山外相は記者會見で次のように述べた。

△アイゼンハワー米大統領の訪日が延期されたことは理由のいかんにかかわらず日米兩國の親善に大きなヒビを入れたことだから、米國經濟界一般の空氣が惡化するのはやむを得ない。こうした對日不信が投資や貿易にもかなり影響を與えることも當然予想される。

△しかし、いずれにしろ今度の事件を米國側は惡意をもってみているわけではないと思う。したがって、たとえ貿易競爭國の抗日材料に利用されたり、對日輸入制限運動の口實とされることはあっても、それが大規模な日本品不買運動などに發展することはあるまい。

△今後の影響はもちろん樂觀できないことだから、できるだけ愼重に措置を考えたい。そのため、いずれ米國の誤解をとくよう適當な人を派遣することも考えなければなるまい。

後繼總裁爭い 本格化す

【東京時事通信】岸首相の引退意思表明で自民黨内の後繼爭いは本格化してきている。後繼總裁候補には池田勇人(通産相)、大野伴睦(副總裁)、石井光次郎(總務會長)の三氏のほか松村謙三、藤山愛一郎(外相)兩氏、さらには吉田茂元首相かつぎ出しのウワサも飛び、目下のところ形勢こんとんとしているが、(一)黨大會を開かず、とりあえず後繼首班のみ決めるとなれば大野氏が有力(二)大會で公選の手順を踏めば池田氏(三)大野池田兩氏の對立でまとまらねば石井氏(四)さらに事態が混亂し、反主流派が[illegible]で[illegible]を[illegible]めれば松村氏という場合もあり得るとみられている。

坂本翁來晩 『鐵齋展』のため

【桑港發】晩市で開かれている國際藝術祭に、鐵齋の秘藏作品を初公開する爲渡航した淸澄寺管長坂本師(八〇)は日航機で桑港着、晩市に向った。『鐵齋展』は九月十八日まで催されるが、坂本師は南畫をデモンストレーションし、日本畫の技術を教えることになっている。(カットは桑港着の坂本師)

十六年振 自由黨に政權
クベック州選擧の大番狂せ

【クベック・シティ發】生みの親、デュプレシー首相にひきいられて、クベック州政權を連續十六年間も牛耳ってきたユニオン・ナショナル黨(保守)は二十二日行なわれた總選擧で自由黨候補にかたい地盤を片っ端から奪われて慘敗を喫し、遂に自由黨に政權を手渡す結果となった。州選擧としては一大アップセットとされており、自由黨のカムバックは見事なものとなった。選擧結果は次の通り(カッコ内は解散前の分野)。

△ユニオン 四四(七二)
△自由黨 五〇(一七)
△その他 一

これでみる通り、自由黨はオタワ前自由黨政府の閣僚であったジーン・ラサージ氏が黨首となって以來、大規模な肅黨を行なうと共にユニオン黨内の汚職、ソイロなどの不正事實をあばき骨のずいまで腐敗したユニオン黨にかわり、新鮮な自由黨にやらせようとの選擧運動が奏効、十七名から一躍五十名の當選者を出して政權を獲得した。これにくらべてデュプレシーが急死、あとを襲った有力黨主のサーベイ氏また急死で、リーダーを失ったユニオン黨は弱力化し、七十二名から四十四名當選と逆轉したのである。

あくまで共存共榮で ソ連首相大見得切る

【ブカレスト發】ルーマニアの首都ブカレストに招かれたクルシチョフ・ソ連首相は今週、西部國の挑戰にもかかわらず東西兩陣營の共存共榮の政策をつづけていくつもりであると語った。そして再び冷戰に戻ることになれば、それは世界中に先進基地を持っている米國のせいであると言及した。

△クルシチョフ首相はさらに、東西對立は戰爭にみちびくというレーニンの定見を否定し、レーニンが終局において東西間の交戰はさけられないといった時代と、いまは時代が變っている、とレーニンの説に批判を加えた。またソ連首相は、ソ連國民は現米政府の間違いを是正する大統領を選ぶよう米國民に訴えたいとも語った。そしてアイクの訪日中止は、公開の場所で横っ面をなぐられたことであり、數百万の日本人が米軍占領下にあることに反對を示したものであると述べた。

早大山岳部員 カナダを横斷

アラスカにある北米最高峰マッキンレー登頂に成功した早大山岳部の一行五名は、その後日本製スターションワゴンでカナダ横斷を決行、今週トロントに到着、オタワを訪れたのち、大西洋岸諸州をめぐって米國に入り大陸を横斷してシアトルから船で歸途につく。早大山岳部ではこんどはヒマラヤ山登頂を計畫している。

九州、近畿に豪雨

【東京時事通信】二十一日夜から二十二日朝にかけて九州、近畿、中部山岳地帶、東海道、關東の一部に暴風をともなった大雨が降り、各地に被害が出た。

食糧プール 米國で提案

【ノース・ダコタ州ミノー發】エクソン副大統領は當地における選擧演説で、米政府は世界主要農産國の剩餘食料を國連がプールし、食料不足國に與えるプランを提出することを明らかにした。このプランはパリ首腦會議でアイゼンハワー大統領が持ち出すはずであったが、會議が流れとなったのでそのままとされていたもの。(カナダはすでにこれと同様のプランである『過剩食糧品のプール』を國連に提出したことがある)

Kyowakai- HJCCA Annual Picnic July 10th

HAMILTON.—Now that summer is here, our winter pleas for warmer weather have been answered and soon everyone will start wishing for the cool breezes of the late fall. It happens every year.

A picnic is another thing that happens every year and this year as in past years, the Kyowakai and Hamilton JCCA have combined forces to present the Hamilton Japanese Canadian Community Picnic on Sunday, July 10th, 1960 at the Hidden Valley Park. Admission is $1.00 for adults, 50 cents for children from 8 years, and high school students.

So come out for your annual bout with sunburn, insects, indigestion, heartburn and ruined film, not to mention your family. We'll have all the other usual picnic races and games and draws. Don't stay in your comfortable air-conditioned home when you can sweat in misery outdoors with the sun blazing down and insects forming an aerial strafing attack on you. Be brave, and rough it! If you need transportation, call George Kumagai at JA. 7-4943 or Mr. Abe at JA. 7-5324. See Ad.

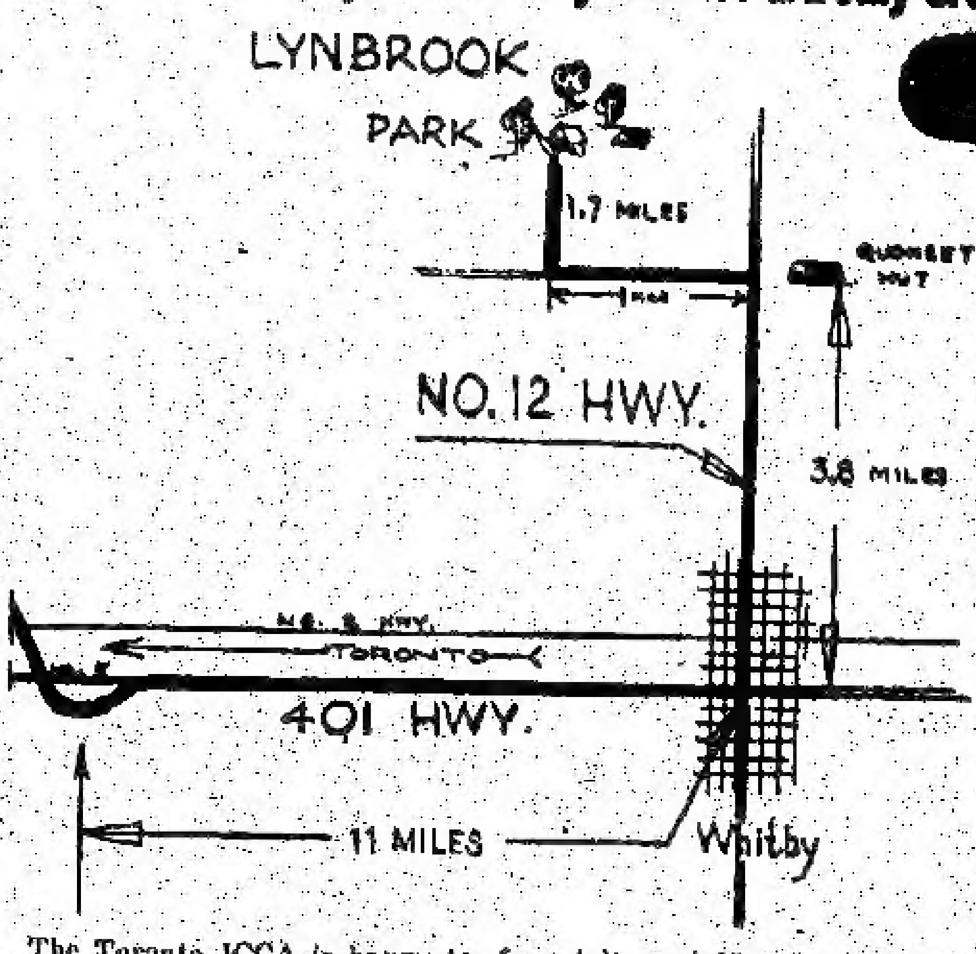
TJCCA Community Picnic at Lynbrook Park July 3rd



The Toronto JCCA is happy to extend this service of placing a cut which gives directions to Lynbrook Park for the convenience of persons attending the Toronto Buddhist Church picnic tomorrow, Sunday, June 26th, the Kidokwan Judo Institute of Toronto outing on July 1st, and its own picnic (the community's largest) on Sunday, July 3rd.

This annual Community Picnic, sponsored by the local chapter, will draw upwards of 3,000 Japanese Canadians to Lynbrook Park, barring inclement weather. But rain or shine, the huge outing and its program of bingo, races, dancing, Japanese odoris, draws, sing-songs, swimming and numerous other activities will be carried through.

Annually the largest outdoor gathering of JCs, the Toronto picnic is being held on the 3rd for the eleventh consecutive year. For many old and new friends, and perhaps weekend visitors, it provides an ideal opportunity to renew or acquire acquaintances.

With the usual program of other activities such as suikawari, tug-of-war between the east and west bordered by Yonge St. (last year's winners being the west), fukubiki, dancing and softball for the younger folks, there is a swimming pool, lots of shade and other conveniences to be found at the park just a short distance north of Whitby.

Ground admission will be 75 cents for adults and 25 cents for children. Bus fare is also 75 cents for adults and 25 cents for children. One bus will leave from the JCCA Office, 415 Spadina Ave. (Maple Leaf Shoe Repair), just below College St. on the east side, at 10:00 A.M. and return at 8:00 P.M.

With each outing, it has been noted that cars and children are on the increase. Last year, an estimated 800 cars were counted from an estimated 500 in 1955. It would be interesting to note this year's increase from 1959. Parking of cars on the grounds will be 75 cents.

The Toronto JCCA would like to remind all persons to assist National JCCA's History of Japanese Canadians project. This year it was decided that all proceeds from the bingo games will be donated to this worthy project. As the donations received to date by the National JCCA is just short of the $16,000 goal, excluding the additional sum required for a Japanese translation, the local chapter would appreciate everyone's support in topping it. As reported elsewhere in this issue by Centre Directors a site has been purchased and persons are asked to purchase raffle tickets to aid the Toronto Japanese Canadian Centre Fund. Persons are reminded that not only do lucky individuals receive valuable prizes, but they also help these organizations to help you. Support YOUR organizations.

ity; and parental influence, still strong, prevents many young people from attending Christian services, he charged.

Buddhism, although not an aggressive religion, is a predominant one. "It takes a great decision to relinquish the religion of your ancestors and become a Christian in Japan," Mr. Yoshida pointed out.

There was a great deal of cooperation among the various Christian missionary groups in Japan. "We do not argue doctrinaire differences as we are all there for the same purpose," he explained. At present there are only 2,000 evangelical missionaries in Japan.

Other sidelights of Japan Mr. Yoshida reported were:

It is a dirty and disorderly nation. Overcrowding makes great problems in public sanitation, which is very poor. Buildings remain unpainted.

The overcrowding has many side effects. One is the high suicide rate, common even among teen-agers, and the juvenile delinquency up 26 percent since 1958.

Grooming Cheap

A haircut, shampoo, and massage cost only 35 cents.

Mr. Yoshida had his tonsils out "while you wait." He went to the doctor's office, had them removed, was shown a place to lay down for five hours, then told he could go home. Cost—$10.

Japan is very fashion conscious accepting Western standards and fads quickly. If you don't dress according to the latest fashion you are "out", explained the speaker.

Food and service are relatively cheap, wages low. Average wage is $30 to $50 a month.

Farming methods remain, generally, very primitive. Even plowing is done by hand, and human manure is used everywhere.

The sense of modesty is much different commented Rev. Yoshida. Mixed public baths, and other instances were related. "Its a bit embarrassing until you become accustomed to it," said the visitor.

Most Japanese, except for a small militant group of Communists are pro-Kishi government, pro-American and pro-Eisenhower.

Editor's Note:

Rev. Yoshida has been speaking to church groups at Coast, Interior B.C. and U.S. centres since his return in May, and will proceed to Toronto where he will be working with the Canadian Japanese Mission.

U.S.-Canadian Buddhist Plan Kyoto Pilgrimage

SAN FRANCISCO.—With interest mounting in the BCA sponsored pilgrimage tour for St. Shinran's 700th anniversary service in Kyoto next spring already twenty groups have been organized, it was reported by the tour committee in San Francisco.

From the Bay area Bishop Shinsho Hanayama will head a group from San Francisco, Rev. Kenyu Masuyama of Oakland and Rev. Giko Abiko of Alameda will from the eastbay, while Rev. Keisho Motoyama of Palo Alto will lead another group from the peninsula. In addition Mrs. Noboru Hanyu of San Francisco will head a special group of young people.

Three groups from the Coast district are in San Jose with Rev. Ikuo Nishimura and Morey Asanuma as tour leaders, in Watsonville with Rev. Junjo Tsumura and in Salinas-Monterey with Rev. Shawshew Sakow. In Northern California both Rev. Hoshin Fujikado of Stockton and Rev. Moju Terada of Marysville will lead a group from their respective areas. Two large groups from Central California will be headed by Rev. Hiroyuki Futaba of Parlier and Rev. Takujo Sugimuri of Reedley. Several groups have been organized by the Higashi Hongwanji members who are also participating in the BCA tour.

Other large groups are organized in Salt Lake City, Ogden, Denver, Chicago and New York while many other areas are now in the process of organization, according to Kinki Nippon Tourist Company representative Toshio Harada who recently completed a tour of the United States and Eastern Canada.

"Reservations for first rate accommodations have been made well in advance and Kinki Nippon will make every effort for the satisfaction and enjoyment of the tour members," stated Harada.

Meanwhile, the tour committee is studying more than 60 applications sent directly to BCA Hdq. These are being grouped according to departure and return dates, type of carriers, and other preferences indicated by the applicants. For distribution of the tour members among the various carriers a special committee with Rev. Masuyama as chairman has been appointed, it was also reported.

Leftist Zengakuren Against Everything Anyway

TOKYO.—With all the ranting and raving against President Eisenhower's trip to Japan and against the U.S.-Japanese security treaty, the impression could be gained that Japan is anti-American.

It isn't, writes Leroy Hansen of United Press International.

The average American in Japan has not suffered personally from numerous leftist-led demonstrations, although it is galling to most to see their nation and President insulted.

Demonstrations explain: "We are not against Americans we are against American policy."

Recent demonstrations are staged primarily not against the U.S. but against the government of pro-western Premier Nobusuke Kishi. If they forced President Eisenhower to cancel his Japan trip, it believed, Kishi would have to resign.

It must be stated, however, that many responsible Japanese have an honest fear of the U.S.-Japan security treaty, believing there would be a good chance Japan could be drawn into war.

But watching long lines of anti-treaty demonstrators marching along Tokyo streets, one gains the impression that many don't really care one way or the other. Some gossip, joke with neighbors or even read magazines. Others appear bored with the whole thing.

Most of the shouting is done by professional union organizers and officials who march along beside them bellowing into microphones.

Labor unions have established quotas for each member organization which has to get out a certain number of members for each "Demo," as the Japanese call them.

The leftist Zengakuren students organization is another matter. It usually is against everything.

Most American residents of Japan do not believe it is correct to say that Japanese-American relations have deteriorated, particularly on the personal level.

In fact, U.S. officials will say they are better than they ever have been.

During the occupation days of General Douglas MacArthur, Japanese did what they were told to do.

The occupation is over. Japan has regained its position on the international scene, Japanese are begining to forget that they were defeated. Postwar Japan is growing up.

It is natural, however, that there be some residual resentment towards Americans, even though the U.S. poured millions and millions of dollars into Japan to revive the nation. Japan is a firm friend of the United States, but it might be expecting too much to have it agree with the U.S. on each and every matter.

The average Japanese still stands a bit in awe of Americans. There is still the view here that all Americans are rich beyond the dreams of the Japanese man in the street. What's more, they can always go home to America, a fabled land.

To cover up what may perhaps be called a basic inferiority complex, a Japanese might tend to take an opposite blustering attitude.

Complicating U.S.-Japan relations in Japan is the proximity of Communist China and Russia each of which are attempting to bring Japan in communism's sphere of influence, with plenty of money to spend, they find many in Japan who are eager to follow the Red dictates.

Spirited activities by these noisy few can override the lethargy of complacent millions and give the impression that the entire nation is anti-American.

Japan certainly is not anti-American and gives no indication of so becoming in the immediate future.

First Anti-American Violence by Mob Reported

TOKYO.—The first violence in connection with demonstrations here against the U.S.-Japan security was reported recently by a former U.S. Marine Lieutenant who now heads a Tokyo trading firm.

Robert Dunham, 28, Wellesley Hills, Mass., said that a mob of young demonstrators attacked his car outside the Diet building during the height of demonstrations last week abou t8 p.m.

The 6 foot 1 inch, 175 pound ex-Marine told United Press International that suddenly he heard someone yell "Gaijin" (foreigner). Then he heard his rear door windows smashed.

Dunham said he also heard such anti-American slogans hurled at him as "Yankee go home."

"I stayed in the car and didn't say anything," said Dunham, who speaks fluent Japanese.

"But I got a little panicky when one young fellow pulled open a door," he said. "When that happened, I thought that if I get pulled out of the car this will be it."

Luckily, a tall youth approached and closed the door and said in broken English: "Please go away, go back, please."

He backed up his car which was completely without lights. One demonstrator had smashed one headlight and the other had gone out. About a mile and a half away he stopped at a police station and reported the incident.

U.S. Rules Japanese Steel Ware Not Flooding

WASHINGTON. — The U.S. Treasury Department ruled last Wednesday that steel products from Japan are not being dumped on the American market.

The Treasury Department said an investigation showed the imports are not being sold here at less than fair value as defined by the antidumping law.

In recent years, imports of steel products from Japan have had an annual value of about 12.9 million.

Pending completion of the treasury investigation, customs officers had halted all appraisal of Japanese steel products for tariff purposes.

The department, in the light of its finding, has now instructed the customs bureau to proceed with the appraisals.
